MARCH 2006

HOA information is available at <http://www.casadelrey.org>.

**The next meeting of the Board of Directors is
the annual meeting of the association,
Wednesday, March 15th at 7:00 PM in the clubhouse.**

As always, everyone is welcome!

Annual Meeting: Each year our association has its annual meeting where new members of the board are elected and other business of the association takes place. We also let you know what the association has done in the previous year and what we're looking forward to in the next year.

It's important that we get a quorum of owners at the meeting, so it would be great if you could come. If you can't make it tonight, and if you haven't returned your proxy yet, please find it and fill it out and put it into the mailbox of either 1395 Gazdar or 1307 Karmen. At the meeting there are two seats on the board open. Currently, both incumbents have expressed an interest in running again, but if you are interested in serving on the board please come to the meeting where we can put your name into nomination as well.

The meeting is tonight, Wednesday, March 15th at 7:00pm in the clubhouse. I hope to see you there!

Santa Clara Annual Cleanup: The Annual Santa Clara cleanup for our neighborhood starts this coming Saturday, March 17th and ends next Monday, March 20th. If you have something you would like picked up by the city, set it out on one of the curbs along Halford Ave, Burnley Ave, or Lillick Drive this weekend, before 7am on Monday morning. Items on our private streets won't be picked up.

Please don't dispose of hazardous materials, including oil, flammable materials, explosives. Appliances and televisions should be separate from garbage items. If you set out a refrigerator please remove the door or make sure it can not close and trap children inside. If you see someone dumping material on the street from outside our neighborhood, call (408) 615-3080 during office hours, and after office hours call (408) 615-5580.
